Jobs Alert Information! In 2010 U.S. new areas of job growth-new businesses to excel in, to lead, to innovate-could be solar energy, biotech, high-end manufacturing, next-generation commercial airplanes, super efficient energy systems, green teach, info teach, health care services, or infrastructure-perhaps this is where you might want to look for new possibilities (Source: Daily Finance 12-4-09).

The Adult Formation Ministry announces that **The Chronological Bible** will come to Good Shepherd on Jan. 10 at 9:00 am in the Fireside Room. The instructor will be Diane Wood. The class will take you through every book of the Bible, but in the order of the events as they happened. You will be able to see the grand plan of salvation as God has worked in history through many people, places and events. The first segment of the Chronological Bible will be the Hebrew Scriptures-the Old Testament. You will view the Bible through three lenses-the historical, cultural and literary-that will help you to understand the context of the Biblical narrative. This class is designed for anyone who has an interest in learning more about the Bible. Please invite friends and neighbors, whether they go to Good Shepherd or not.
